PRESIDENT'S REPORT

Spring has sprung in Maryland--with the usual roller coaster weather, but the wind's blowing harder than ever! Spring also brings several statewide meetings. I participated in the MRSPA Presidents' Meeting on March 18, 2025. It is good to hear what is happening in other counties. I always come away feeling that Cecil County is doing a terrific job with all our activities that support our teachers and students.

Another state event is the MRSPA Annual Meeting on May 6, 2025, in Ellicott City. This year I will be joined by Kay DiStefano, Sally Haberl, and Kathleen Mullen. Special note, Kathy will be honored as a nominee for the Community Outreach Service Award.

Our May luncheon will be an exciting event. We will be announcing the scholarship winners and have the opportunity to view the projects that our mini grants funded.

Wanda Twigg, MRSPA Executive Director will be joining us for the luncheon, along with Dr. Debbie Chance. Dr. Chance will be installing the officers for the next term. I will continue serving as President, Cheryl Lee will be Recording Secretary, and Anne and Paul Humphrey will be Co-Treasurers. Another change will be Amy Ide stepping up to take over the Membership Committee. MANY thanks to Sherry Lewis for her years as chairman and to Signe' Mika for her service as Recording Secretary for the past years.

As you can see CCRSPA is a strong association, but YOU, our members are what makes us strong! Come join us on May 20 for the Luncheon. Find out what's happening, meet new people and renew friendships.

CCRSPA MINUTES – February 18, 2025

The meeting was called to order at 11:20. Some committee members gave reports.

OUTREACH: Paula extended thank-yous for donations to schools. New items will be delivered to school nurses after spring break. Barbara Buck was inducted into the Senior Citizen Hall of Fame for her volunteerism, service to her community, attention to our homeless, and her donation of time to her church. We will be needing new nominations for this position in April.

CONSUMER ED: The state sends out information at regular intervals.

LEGISLATION: Shirley Hicks, recipient of the Legacy Award, gave an informative report about the 37th Martin Luther King Awards Banquet. The Legislative committee met virtually for a workshop on Tuesday, January 28th. The purpose of the workshop was to cover some budget issues, provide an update on the Pension System, and to share an overview of legislative priorities. One item discussed was the budget deficit. Previously there had been a surplus. That was due to federal funds that were related to COVID, and they had to be spent. That resulted in a deficit. Social Security was discussed. Maryland teachers are not affected by cuts. Also discussed was pension, legislative priorities, and points of interest. NRTA works with AARP concerning prescription affordability, adult protective and long- time care.

Linda Elwood said the bills were supported. Check the website for details. Nursing homes are not being inspected regularly, and cuts are being made. Contact delegates regarding cuts to budgets in counties. See our website, “Legislative Bills” for more information.

MEMBERSHIP: Sherry Lewis said that we have 252 members, including three new members. Because Maryland is an expensive state, we are losing members. We were reminded that it doesn’t matter where you live, your pension comes from Maryland since that is where you worked. For that reason, it is wise to join our organization.

NOMINATING: Some of the positions have been filled and will take effect over the next few months. Recording secretary will be taken over by Cheryl Lee. Joan Marie Parker will be our new corresponding secretary. Filling the positions of co-treasurers will be Anne and Paul Humphrey. Bill Ide has already taken over publications. Thank-you to all who have volunteered for these positions. We are still in need of members to fill the jobs of co-president elect, or president elect. The president’s job was described by Kay DeStefano.

SCHOLARSHIP: There was information scattered around on each table. The number of applicants has been dropping. There will be two to three scholarships offered this spring. Fluorescent colored fliers were left on tables in hope that members of our group would display them throughout the county. This will inform possible applicants of scholarships being offered.

SUNSHINE: Betty Moore has been hospitalized in Christiana.

TRAVEL: Fred Metzger discussed the next trip, which is a cruise to Bermuda. The cruise line is Bermuda Liberty, which has the capacity for 2900 passengers. This unfortunately will be the travel agency’s last trip, as it is closing next year.

OTHER ITEMS OF INTEREST:

- Our Farm Museum is in desperate need of bathrooms to be used for class trips. Donations are needed.
- The annual business meeting will be held in Ellicott City on May 6, 2025. There is a need for delegates.
- Tony Mattern is offering free tax preparation at the church. Please call to make an appointment at 443-485-1153.

The meeting adjourned at 11:40 in preparation for a delicious Italian meal.

Respectfully, Signe’ Mika

STUDENT SCHOLARSHIPS & MINI GRANTS

Each year our organization has the privilege of helping future teachers reach their goals by awarding scholarships. We started this program in 1987, and as of 2025, there have been 60 recipients for a total of \$53,950.

This year we are giving \$1,500 each to two young men. Connor Suprik is a graduate of RSHS who will be a senior at Salisbury, majoring in Physical Education and Health. Daniel Tserkis, a PVHS graduate, will be a senior at Towson, majoring in secondary education. Both have been invited to our May luncheon.

We started giving grants to teachers in 2019. This fall we gave 9 grants. As of now, we have awarded grants to 32 teachers, totaling \$6,330. Teachers provide displays for us to share with you. Come to the May luncheon and see what we have helped them to do with their students this year!
