September 2026

Dear Cecil County Classroom Teachers,

CecilRSPA, the organization for our county's retired school personnel, is offering grants of up to \$300 each. Since 2019, we have awarded \$8280 to 39 teachers. Our recipients have been from all grade levels and disciplines, including English, ELA, chemistry, science, G&T, media, guidance, art, PE, AVID, STEM academy, math and career readiness, and the nursing department at CCST. We are hoping to award several grants this year.

Below, you will find a simple application to be submitted by Friday, October 30, 2026. Winners will be notified by Friday, November 6. The money is to be used for a class that you currently have, and the project must be completed by the end of the 2026-2027 school year. If your project is selected to receive a grant, we will present a check to you, made out to CCPS with your name and school in the memo. The check will go to your school secretary and the Business Services office so that an account can be set up for your use. You will be required to submit a description of the project results, along with photos or actual products which will be displayed at the CCRSPA May luncheon.

The applications will be reviewed by our CecilRSPA Scholarship/Grant Committee.

Please complete the application and return it to Charlene Metzger at charlenemetzger@gmail.com or by mail at 230 Crothers Rd, Rising Sun, MD 21911. You can also access the application by visiting our website at <https://www.cecilrspa.org/>
